

## BLE Smoke & Fire Curtains

### SINGAPORE SPORTS HUB

The Singapore Sports Hub will be a fully integrated sports, entertainment and lifestyle hub for everyone in Singapore. It will be Singapore's premier land and water sports centre with integrated programming.

A unique cluster development of integrated world-class sports facilities within the city, it will play a critical role in accelerating the development of sports industry, excellence and participation and take sports to the next level in Singapore.

With its world-class facilities, the Sports Hub will be the Centre for Singapore's elite athletes and high performance management as well as an ideal location for sports and entertainment events, sports administration, and sports and recreation businesses.

It will help to create a critical mass of international, regional and local sports federations and associations, sports medicine and sports science service providers, sports related training and education service providers, sports companies' sales and marketing headquarters, and retail outlets.

BLE in conjunction with our local partners from Ferco were tasked to design install fire curtains to deploy by gravity at an angle and within the requirements of international standards. Difficult but proved to be possible.

SMOKE & FIRE
